Port Phone Number Service Request

Date____/____/_____

DIDX Member ID = _____
Name of the end user= _____
Address of the end user =
_____
Billing Telephone Number =
_____

Phone Numbers to be ported:

Phone Number	**Current Carrier**	**Service Address** (No PO Boxes) **[Where the phone is actually located]**
(_____)_____-_____	_____	_____
(_____)_____-_____	_____	_____
(_____)_____-_____	_____	_____

Is this a partial port or a full port? _____
(Partial is when you are porting less than all the phone numbers owned by the end user that are provisioned by one service provider.)

If you have PIC Freeze with your original carrier must notify the carrier to remove the freeze.

If PIC Freeze is encountered during the porting process, number may not be ported, and get rejected.

Porting process:

As soon as we receive this form and a copy of your most recent phone bill, we will begin the process of porting your number which can take 30-35 business days.

Porting disclaimer:

In no way or form do we guarantee the successful porting of phone numbers. We provide this as a service to our customers with the understanding that the customer is responsible for the payment of their service under any circumstance no matter if the requested number has been ported or not.

_____X_ I agree to pay for service whether or not my number is ported. If I choose I can cancel my service at anytime or remain with the temporary numbers previously assigned.
